

# Standalone Digital HELOC

## FAST & EASY - Approval in Minutes

## ACCESS YOUR EQUITY - Same Day Closings Available!

A HELOC (Home Equity Line of Credit) converts home equity into cash

Loan amounts up to \$400,000\*\*

Minimum 75% initial draw disbursed at closing

The application through funding process is Fast and Easy!

The advantage of a HELOC: Can help with Home Improvements; Consolidate high-interest credit card debts; cover major medical expenses; pay for a child's tuition; take a luxury vacation, and more!

\*While the majority of applicants are not prepared to close so fast, the platform operates at that speed. As a borrower directed journey, the process will go as fast as they complete their activities.\*\* HELOCs are offered up to a loan amount of \$400,000, but your maximum loan amount may be lower than \$400,000. Your loan amount will ultimately depend on your home value and equity at the time of application. We determine home value and resulting equity through automated valuation models.
